Third Reduction of Cornell Wood Board

Amounting in all to \$11.00 per 1,000 square feet within 6 months

Notice of another reduction in the price of Cornell-Wood-Board is being sent by the Cornell Wood Products Co., of Chicago, to 10,000 Lumber and Building material dealers throughout America.

This latest cut of \$3 per thousand square feet follows reductions of \$4 in January and \$4 in December—making a total saving of \$11.

The increasing demand for Cornell-Wood-Board has disclosed that previous reductions received the public's appreciation of this company's effort to bring down building costs.

This latest reduction should hasten the construction, remodeling and repairing of Summer Cottages, Homes, Stores, Offices and Garages, which can be quickly and economically paneled with "Oatmeal" finished Cornell Board instead of lath and plaster.
